### **CSA Membership Commitment**

I wish to strengthen the local food system in Boulder County by becoming a member of the My Mamma's Hat Farm CSA. By becoming a member of the CSA I am helping to preserve local, small-scale, organic agriculture. I understand that due to the unpredictable nature of the weather, there are no guarantees as to the amount of produce I will receive. I also understand that there are no refunds on CSA shares. I am responsible for picking up my produce every week at the designated time and location and understand that any missed pickups will be forfeited.
